Homicide Investigation

The Birmingham Police Department reports that detectives are conducting a homicide investigation. The incident occurred Saturday, November 28, 2015 in the 900 block of 1st Street West.

The victim's name is being withheld pending next of kin notifications.

On Saturday, November 28, 2015 around 8:05pm, officers from the North Precinct were dispatched to the listed location on a person shot. Upon arrival, officers discovered a black male lying in the middle of the street suffering from what appeared to be a gunshot wound to the chest area. Birmingham Fire and Rescue were called to the scene and attempted to treat the victim but the victim was pronounced deceased.

Our preliminary investigation suggests the victim got into an argument with an unknown male. The unknown male shot the victim and drove off in an unknown colored vehicle. This is an ongoing homicide investigation and additional information will be released as it becomes available.
